Memorandum to: Bureau Chiefs
From: Chief, FBIS
Subject: Bisection of Letter of Instruction

1. Beginning with the current issue, the monthly Letter of Instruction will be divided into two parts. Part I will be composed entirely of unclassified matter which may be disseminated at overseas bureaus to interested foreign national employees. Part II will contain classified information and material of restricted interest. This Part will be released for perusal by classified personnel only, except that the Bureau Chief may, at his discretion, make available to foreign nationals unclassified portions dealing with administrative matters of concern to them.

2. Bureau Chiefs are invited to comment at their convenience on this revised format.
